**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I had to contend for a long time with a terrible choice of duopoly between Comcast and AT&T. Neither offered the type of service I was looking for. A simple ISP service with great customer service that didn't force me to bundle a bunch of garbage I didn't want or need and only an introductory rate. Sonic, a small alternative ISP provided me with exactly what I wanted at a reasonable and unchanging rate.

We need more choice of services, not less. Please do not allow competition to be stifled.

Thanks,

Darren McGee
